

ARTIST RELEASE · BOOTH PROJECTION

YOUR WORK, WITH YOUR SAY-SO.

Nothing carrying an artist's work ships without that artist's signature. This half-page is that signature: which designs the preview booth may project, and on what terms.

01 THE DESIGNS

ARTIST NAME

DESIGN SET COVERED (TITLES, REFERENCES, OR "FLASH SHEETS NOS.")

02 WHAT THIS PERMITS

Projection of the listed designs onto clients inside the preview booth at the Bristol studio; capture of the resulting preview images; and delivery of those preview images to the client for their personal use, including sharing them privately or on their own social channels. Preview images may show the design on the client's body; they are not print-ready artwork and carry no licence to be tattooed elsewhere.

03 WHAT YOU KEEP

Everything. This is a permission, not a transfer: copyright and moral rights in the designs remain with the artist in full. Credit is given wherever practicable. This release covers only the uses in section 02; any other use of the designs, in marketing or otherwise, needs a separate agreement.

04 TERM AND WITHDRAWAL

This permission runs until withdrawn. The artist may withdraw it for future sessions at any time on seven days' written notice; withdrawal does not affect preview images already delivered to clients before it takes effect.
